BLUE DIAMOND
CORPORATION

BLUE DIAMOND CORPORATION
Sourcing & distribution for professional customers

BLUE DIAMOND CORPORATION supports businesses with the sourcing and distribution of food and non-food products. Its positioning focuses in particular on the needs of contract catering professionals and service providers operating at mining and oilfield sites.

AREAS OF ACTIVITY

Sourcing & distribution
Food products, consumables and non-food items for professional operations.

Supplier sourcing & procurement
Identifying suppliers and solutions that meet stated technical, quality and commercial requirements.

Import & logistics
Coordinating import operations, goods flows, storage and delivery preparation.

Quality & QHSE requirements
Taking customer specifications and applicable quality, health, safety and environmental requirements into account.

TARGET ENVIRONMENTS

Contract catering • Mining sites • Oil & gas sites • Professional partners

OUR APPROACH

01	02	03	04
Understand requirements	Identify the solution	Coordinate supply flows	Manage the relationship

Reliable sourcing, supporting the performance of our partners.
